'JOCK'S WAGGIN' TONGUE

Vol. 5 Thurs., Oct. 2 No. 39
Jock McIntyre, Editor

We again ask you to enjoy the world series at our diamond and suggest that you buy a ticket daily on one of the pools. Our purpose in providing this service for you is to say "thank you for your patronage" and to suggest to you that you let us be "Your Hardware Merchants."

Every house needs Westinghouse. Their radios are tops.

Flight-Lieut. Jim Miller left for Montreal on Thursday and will service in the Atlantic ferry service of the R.A.F. Our good wishes and congratulations, Jim, for a job well done!

If you are in need of a heater you should not delay its purchase as they are hard to get. We have Gubecks, Good Cheer and Enterprise, each an outstanding value in their field.

Our sympathies to the friends and relatives of Mrs. Manhardt in their sad bereavement.

McIntyre and Co., are opening their new store in Stavely on Oct. 4th. Jock is to be the manager with R. D. Farries as clerk.

Protect your sight and the children's by the Coleman method.

Ed and Mrs. Weiss and Reta Versluys were Lethbridge visitors on Monday.

Give the old radio a new lease on life with a new set of batteries from our fresh and complete stock.

H. A. Bjornson is around with a cane after his recent tangle with a combine. Glad to see you again, Harry!

Look for the announcement of 1942 Chevrolet that is coming soon. It's years ahead for years to come.

Former Resident Passes at Red Deer

Mrs. G. A. Manhard of Red Deer, formerly a resident of Champion for many years, passed away suddenly Wednesday morning, Oct. 1. Mrs. Manhard underwent a major operation the beginning of August and returned home about ten days later from the hospital. A few days afterwards neuritis set in and after seven weeks illness she passed away. She was 74 years of age. She is survived by her husband, one daughter Mrs. A. Stevenson of Pine Lake, and three brothers, George Orr, of Champion, R. H. Orr, of Brockville, Ont., and W. R. Orr, of Hamilton, Ont. George Orr left Champion Wednesday afternoon for Red Deer to attend the funeral services.

DO YOUR CHRISTMAS MAILING EARLY—NOV. 10 DEADLINE

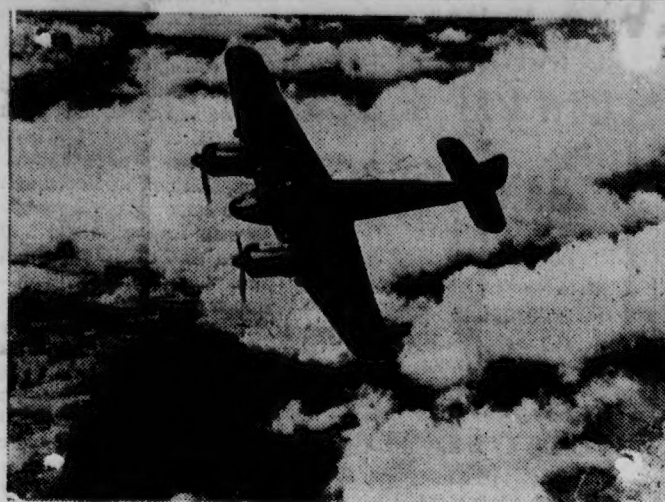

From Ottawa comes word that the post office department has given Canadians early warning that they'd better begin thinking about those Christmas parcels for boys overseas.

"The volume of mail is expected to be more than twice as great as last year because of the increased number of troops in the United Kingdom," the report says.

"Nov. 10 is the deadline if you want to be sure the parcels are going to arrive in time."

Most irritating problem still is the incorrectly addressed parcel or letter. In June, 1941, more than 18,000 letters arrived at the base post office in Britain incorrectly addressed. From Jan. 1 to Aug. 31, 4,012 parcels arrived at the base post office in Canada—still 4,000 miles from their destination—too badly damaged to be shipped on.

"We were able to salvage 3,488, re-parcel them and deliver them," one spokesman said, "but the other 524 were beyond repair and the families or senders had to be notified."

45th WEDDING MARKED BY CARMANGAY COUPLE

CARMANGAY, Sept. 29.—A delightful surprise party honoring Mr. and Mrs. "Sandy" Fraser on the occasion of their 45th wedding anniversary was held in the Plainfield school on Friday evening. Despite the storm a large crowd greeted the pioneer couple. The schoolhouse was attractively decorated with autumn foliage and golden marigolds. A wedding cake made by a neighbor Mrs. A. Wynn, and decorated by Margaret Hegland, was given a place of honor under a bridal arch.

Following cards, for which prizes were won by Mrs. Bert McGaw, Mrs. James Fraser, Ronald Soderquist and Ken Miller, a delicious supper was served. After all the guests had partaken of wedding cake S. E. Thompson presented Mr. and Mrs. Fraser with a chest of silver, a gift from their many friends. A substantial purse was the gift given by all members of the Fraser family to their parents. Members of the party who came from other points for the occasion included Mr. and Mrs. Harvey Hicks of Brocket, Mr. and Mrs. Bert Mc-

Six Months and Fine for Knifing

(Claresholm Local Press)

Finding the accused guilty of the offense charged, that of stabbing Percy Risvold, and occasioning grievous bodily harm, Magistrate C. J. Amundsen sentenced Wesley C. Burke of Carmangay, aged 52, to a jail sentence of six months and a fine of \$200.00 and costs. It took all the afternoon to hear the evidence and court was adjourned till the evening, when H. O. Haslam, K.C., counsel for the defense, ably addressed the court on behalf of his client. Cpl. Brailsford, R.C.M.P., handled the prosecution, which was noted by the court, as well as by all present, to be imminently fair to the accused and ably presented.

Evidence from Risvold was taken at the Claresholm hospital, the court adjourning there for that purpose.

As stated by Cpl. Brailsford, the whole thing was nothing less than a bar room brawl. It was a rainy day and both parties had had more to drink than was good for them. The men were seated drinking at a table in the Wilton hotel beer parlor when Burke bragged up the ability of his power farming equipment a little too high to suit Risvold, who must have rather strongly questioned Burke's veracity. Burke reached across the table and pulled off Risvold's glasses, breaking one of the lenses in the operation. Immediately the men were warned that no fighting would be permitted on the premises and friends parted them. From here Risvold seemed to be the aggressor, demanding that Burke go outside and fight it out or pay for the broken glasses. Apparently they did go outside and in the fight that followed Burke was severely beaten up by Risvold, suffering a black eye and bruises on the face. It is not exactly clear from the evidence whether or not both men returned into the beer parlor, but apparently Risvold did. Anyway a little later, Risvold went out and was walking eastward and upon reaching the corner of the hotel building on the lane was pounced upon by Burke. Risvold knocked Burke down and followed him down, immediately scrambling up again and finding himself stabbed. Outside of Risvold, there were three but only Risvold and Haines could give evidence as to the knife, or some sharp instrument. However, their other points of evidence synchronized. Scott Ferguson and Elmer Bergerson and Haines were the three witnesses to the fight.

Jim Bell of Granum deposed as to the trip to Claresholm, coming up in Burke's truck to transact business. He and Burke had consumed a number of beers in the Queen's before supper and were just about to start home from Quail's Garage when it was noticed one light bulb was burned out. The party went over to the Wilton while the light was to be fixed. He tried to part the men from fighting, and claimed that both Burke and Risvold showed signs of drinking, but Burke was sufficiently sober to drive the truck home in safety. He said Risvold was very aggressive in his fighting attitude.

Constable Campbell, R.C.M.P., deposed to having accompanied Constable Lungard and Cpl. Brailsford to Granum after the accused, and finding him in Jim Bell's house, and that he was obviously intoxicated.

Constable Lungard gave evidence of going towards a crowd at the Wilton hotel corner where the fight was in progress, but when he got there it was all over and Burke was getting up off the ground, and someone gave him his hat. He would not say the man was drunk, for he was able to get around by himself, but showed signs of drinking. He got back only as far as the Flasher store building when he heard someone running after him

Local News of Interest in and About Champion

Mr. Gibbs of Vancouver is in town for a few days shooting. He is a guest at the Savoy Hotel.

Carl Berg left on Greyhound Bus for Vancouver Wednesday.

Mrs. Fred Clever left Thursday to spend a few days in Lethbridge.

Mr. A. Baker and his daughter Anna C. Baker journeyed to Missoula, Mont., last Wednesday, where Miss Baker will attend the Montana State University. Mr. Baker returned to Champion on Tuesday.

Mr. Munson of Calgary is a guest at the Savoy Hotel and plans on getting in some shooting in the district.

There have been some reports of petty thievery occurring in the town of late. This source of annoyance should be put a stop to immediately. Another complaint to be made was the letting of air out of car tires the night the Masonic Lodges met in district meeting. It is not very good for a town to have visitors come out of a meeting late in the evening after a rainstorm to find the air in their tires let out by some puny-minded juvenile with a distorted sense of humor.

Alfred Yost was a Lethbridge visitor Monday. Miss Thresa Zorka returned to Champion with him. They left for Calgary Tuesday accompanied by Miss Dorothy Hummel.

R. Harper, Traffic Superintendent of the Alberta Government Telephones of Lethbridge, was a Champion visitor Tuesday.

Women's Institute meeting will be held at the home of Mrs. I. Fisher, Tuesday, October 14.

Mr. and Mrs. Bob Truba returned to Champion last Thursday from Bellevue.

Two fires occurred in the Champion district last Saturday. The garage of A. Kramer caught from an overheated chimney last Saturday morning. Damage was confined to a minimum by prompt action of the fire workers and apparatus.

The other fire occurred at the farm of Mr. and Mrs. Christensen also on Saturday. Fire apparatus from Carmangay brought the flames under control before much damage was caused.

The Ladies' Aid served at the Fred Porter auction sale and report very satisfactory afternoon.

W. F. L. Orris of Winnipeg was a Champion visitor Monday and Tuesday at the home of Mr. and Mrs. Stanley Orris, on his way home to Winnipeg from a visit to Vancouver.

The United Church Sunday School has commenced for the season and meets every Sunday morning. Miss Shirley Taylor is resuming her Sunday School Choir.

Cannon Winter will hold Communion Service in the Community Hall at 11 a.m., Sunday, October 5.

We are glad to see George Taylor back on the job again after his recent illness and convalescence.

September meeting of the ladies' aid was held at the home of Mrs. Peter Dawson and was well attended. The Red Cross report they are working on their sixteenth quilt and other small articles. At the next regular meeting the ladies' aid will entertain the Carmangay ladies' aid.

An auction sale will be held at the farm of Ernest Rhodes on Wednesday, October 8, at 11 o'clock.

Mrs. Andrew Anderson and baby daughter Marilyn, of Lethbridge are visitors at the home of Mrs. Anderson's parents, Mr. and Mrs. G. M. Campbell.

High school basketball is being organized for competition during the school year. The girls have a strong line up and are looking forward to an exceedingly good year. The girls wish to thank all those that helped to make their efforts possible. The lineup of the team is as follows:

Captain.—Ethel Griffin.

Players.—Rose Chaproniere, Linda Cemulini, Rose Doyle, Olive McLean, Vivian Griffin, Doreen Stewart, Joyce Christensen.

Coaches.—S. Lindstedt and R. Inman.

Mr. and Mrs. Joe Mark are visitors to Edmonton this week.

Thanksgiving day this year falls on Monday, October 13. It will be proclaimed a public holiday.

Remember to do your overseas Christmas mailing early. Nov. 10 is the deadline, but please don't leave it until the last minute rush. And pack and address them well.

Mr. and Mrs. Joe Mark had the experience of being registered at the Wales hotel, Calgary, when it was on fire Wednesday night. Joe has some thrilling experiences to relate.

Mrs. G. J. Dawson spent a few days this week visiting at the home of Mr. Dawson's parents, Mr. and Mrs. J. C. Dawson of Olds.

HUNTERS SPEND BIG SUMS IN ALBERTA

If they are given the opportunity, tourists will spend more money in Alberta and visit here in still greater numbers. Recently there were reports of big game hunters arriving in Alberta by aeroplane from the United States, then leaving for the hunting areas by motor car, train and other modes of conveyance along the way.

These hunters spend thousands of dollars in Alberta each season. Some time ago one large party estimated that its outlay would average \$50 a day for the expedition.

With Alberta roads in better condition and hard surfaced, so that the hunters would be enabled to penetrate to various hunting regions to a greater degree, doubtless a still larger number of nimrods would be attracted to Alberta.

Officials of the Canadian Travel Bureau have emphasized the importance of stressing the game attractions of the Canadian west, particularly hunting and fishing, which are permanent lures to tourists. When these hunters are eager to come to Alberta, which is known to have some of the finest big game country, every effort must be made to facilitate their entry by motor or other means. Their expenditures mean a big item each season to business in the provinces, it is pointed out by officials of the Alberta Motor Association.

RADIO NEWS

Next week, many of the favorites will be back on the air, such as Jack Benny, Silver Theatre, etc.

With the advent of standard time into eastern United States, a complete change of times has been necessitated in many of the outstanding networks. Such favorites as "Big Sister" and "Dr. Susan," previously heard at 8:30 a.m. and 8:45 a.m., will now be heard at 10:15 and 10:00 a.m.

"The Happy Gang," previously heard at 10:00 a.m., changes to 11 a.m. The morning news, heard at 8:15 a.m., shifts to 8 a.m.

"Secret Service Scouts," a new 15-minute presentation of interest to all boys and girls, began last Monday and will continue every Wednesday and Friday at 5:30 p.m., and Superhuman, that well known radio figure, commences on October 13, running Monday, Wednesday and Friday at 5:45 p.m.

"World's Most Honored Music," probably the finest musical show ever to be presented in Calgary, will be heard at 3:15 to 3:45 p.m. every Sunday. This musical gem embraces the cream of musical selections played by the finest collections of musicians to gather in the United States. Watch for this show every Sunday.

"Here's to the Lady of the House." Every day from 1:00 to 2:00 p.m., CFAC will present a variation of restful and most interesting music, with such well known Canadian artists as Dan Barry, John Harcourt, Eddie Allen, Tip and Tess and Smilin' Jack.

"The Lone Ranger." Well, boys and girls, your old friend, "The Lone Ranger," rides on the trail of outlaws and crime every Monday, Wednesday and Friday at 6:30 p.m. The Lone Ranger has now become a byword with every youngster on the North American continent, and many thousands of young ears will be listening for that cheery "Hi-yo Silver."

A Poem for Today

EVEN YET

In times so terrible as our today,
So charged with meaning, and so big with power,
Uncounted little lives still find a way
To mould the moments of some plastic hour.
And through these madd'ning and chaotic years,
When nations quake and tumble, and the span
Of human hope is slashed aslant by fears,
God still believes in man.

● Things are happening where Jim is . . . in the navy . . . things Jim is not allowed to write about. If Jim could write what he would like to write, we at home might be more concerned about the war. Jim says "everything's O.K." and that's what we expect from fellows like Jim . . . but things aren't O.K. or Jim would be back home at his regular job. We've got to do our part, too. One thing we can do is lend our money to pay for the war. We've got to see to it that the men in

the services get the ships and guns and tanks and planes they need to do their job. War Savings Certificates help to provide that money. We must all buy more War Savings Certificates.

The help of every Canadian is needed for Victory. In these days of war the thoughtless, selfish spender is a traitor to our war effort. A reduction in personal spending is now a vital necessity to relieve the pressure for goods, to enable more and more labour and materials to be diverted to winning the war. The all-out effort, which Canada must make, demands this self-denial of each of us.

BARONS, Sept. 23.—The first meeting of the Barons District Patriotic League for the new year was held in the rest room Monday evening with the president, Rudolph Kotkas, in charge of the meeting. Election of officers was held and Rudolph Kotkas was re-elected as president, with Mr. A. Andrew elected as vice-president. Albert Smith and Milson Hodgson were re-elected as secretary and treasurer of the organization.

Mrs. Wagners, chairman of the sewing committee, turned in five quilts that were pieced by Mrs. Thompson, and tied by the ladies' aid. Several more quilts have been made by the Pricilla Club, to be donated to this League. Mrs. Kennedy reported the amount of knitting on hand and this was disposed of. Twenty pairs of socks will be sent to the Airforce at Little Norway, Toronto. A parcel of knitted articles will be sent to Louis Lund, who is with the R.C.A.F. in England. Other knitted articles will be used for hampers and the rest sent to war charities for distribution.

Mrs. Lyon was appointed as chairman for the distribution committee and will see to sending the overseas Christmas hampers. A motion was made to continue sending cigarettes to the Barons boys who are overseas. The president will erect an aluminum basket in the village of Barons and residents of the community are asked to place articles there. These will be disposed by the League. A membership of 163 was reported for 1940 and it is hoped that as many as possible of these will attend the October meeting to be held in the rest room Thursday, October 9.

FLEMING—TURNER

BARONS, Sept. 30.—At 2:30 Monday afternoon, Sept. 29, at Southminster church, Lethbridge, in the presence of about 45 friends and relatives, the marriage of Mary Ellen, eldest daughter of Mr. and Mrs. J. B. Turner of Barons, took place to Mr. Alex. Fleming. Rev. Dr. Pritchard officiated.

The wedding march was played by the church organist.

The bride entered the church on the arm of her father who gave her in marriage. She chose as her bridal costume a grey dressmaker suit with blue accessories, and wore a corsage of smilax and roses. Mrs. Stuart Davis was matron of honor for her sister, and was becomingly gowned in navy and white with black accessories. Mr. Harold Turner supported the groom and Stuart Davis acted as usher.

Following the ceremony a reception was held at the home of the bride's parents at Barons. The table was centered with a three-tier wedding cake and with white tapers. Mrs. W. Henker and Mrs. E. McFarland poured tea. Out-of-town guests included Mr. and Mrs. A. J. Davis of Lethbridge; Mr. and Mrs. Pete Fox of Calgary; Mr. and Mrs. Dan Boyle of Macleod and Mr. and Mrs. Gordon Blair of Granum.

The bride and groom left Monday evening by motor for the Pacific coast and other B.C. points. On their return they will take up residence in the city of Lethbridge where they will be at home to their many friends.

Mrs. L. Gygley was a Calgary visitor this week.

Mr. Lennox of Corning, Calif., is a visitor in the Barons district this week looking after land interests here.

Mr. Walter Stevens is on leave at his home near Barons.

Tuesday afternoon a lot of excitement was created at Keho lake when a plane landed there. People who saw it land on the water believed that it had crashed and soon several cars of Barons residents were on the spot. In a short time the plane took off again.

Tested Recipes

LAST CALL FOR PRESERVING

Have you cast rather despairing glances at your fruit cupboard shelves recently, and wondered just how you could fill them to capacity before winter sets in?

The Consumer Section, Marketing Service, Dominion Department of Agriculture, has prepared some recipes that will help in filling those shelves with a tempting array. We are sure that you will feel a glow of pride in knowing that you will be able to serve delicious Canadian fruits in such tasty forms all winter, and, at the same time, that you will be doing your part in preventing waste of those perishables. Waste no time in deciding what must be made from the fruits now on the market, for, with the exception of apples, the season for fresh Canadian fruits will soon be over.

Peach Butter

Peel and stone the peaches. Cook in a small amount of water as possible until they are reduced to a pulp. Rub through a colander. Add one-half as much sugar as pulp and cook the mixture until it is thick and clear. Constant stirring near the last will be necessary to prevent burning. Pack into clean, hot jars, and seal at once.

Pear Butter

Treat as for peach butter except that the pears need not be peeled and cored, but cooked and run through a sieve. A few whole cloves cooked with the pears adds flavour to the butter.

Medley Fruit Conserve

- 2 pounds peaches
- 2 pounds quinces
- 1½ pounds pears
- ½ pound tart apples
- 1 lemon
- 4½ pounds sugar

Wash and prepare fruit. Pass through food chopper and weigh. To each pound of fruit allow three-quarters of a pound of sugar. Put fruit and sugar in alternate layers in a bowl and let stand overnight. Next morning place in a preserving kettle, with the juice, pulp and lemon rind. Boil until mixture becomes thick. Pack into sterilized jars and seal at once.

Damson Plum

Wash the fruit and cut in half, removing the pits. Break a few pits and add kernels to the fruit. Pour a little water over the plums and heat slowly to boiling point. Cook gently one-half hour. Measure and add an equal quantity of sugar. Boil gently until jam is thick and pour into sterilized containers. Seal at once.

Harvest Jelly

- ½ gallon crab or snow apples
- 5 quinces
- 1 quart cranberries
- Sugar

Wash apples and quinces and remove stem and blossom ends. Cut in quarters, cover with cold water and cook till tender. Wash cranberries and cook in one quart water until tender. Pour apples, quinces and cranberries, into jelly bag and let drain overnight. In the morning, measure the juice, and for each cup of juice add one cup of sugar. Boil juice for five minutes before adding sugar, then boil for ten minutes or until syrup sheets off spoon. Remove scum, pour into sterilized glasses, and seal.

Ginger Pears

- 4 pounds pears
- 4 pounds sugar
- ¾ cup water
- 2 lemons
- 2 ounces preserved ginger.

Select firm pears; wipe, quarter, core and peel; cut in pieces. Add water, sugar and grated rind of lemon. Simmer until pears are amber in color and syrup is thick; add lemon juice and ginger cut in small pieces; cook 10 minutes. Bottle and seal.

TREES FOR PLANTING TO BE DISTRIBUTED BY THE FOREST DEPARTMENT OF PROVINCE

With 1941 entering its last quarter, the all-important question of tree planting for the coming year presents itself once more for serious consideration.

The importance of this annual undertaking has been often emphasized by the department during past years and it is gratifying to note the ever-increasing interest taken in this matter. The vital necessity for trees and more trees has been continually pointed out—their important place in Alberta's agricultural life and the benefits which they provide. It is hoped and believed that this interest will continue.

The following information has just been issued by the Forest Service, which gives details regarding the distribution of trees for planting to be made after the turn of the year.

Trees, free of all charge excepting the express covering shipment, are to be given by the Forest Service to farmers in the province for the following purposes:

1. For planting within natural popular or willow bluffs.
2. For replacements in established windbreaks or shelterbelts.
3. For additions to established windbreaks or shelterbelts, where the trees to be planted are set out close enough to the old plantation that they receive protection against wind and, in the case of conifers, against the sun, by the established trees.

Applications for rural schools and cemeteries will be given consideration.

Trees are not available for beautification only, nor for the establishment of new windbreaks or shelterbelts. Persons requiring trees for the former purpose should secure them from commercial nurseries, and for the latter should apply to the Dominion Department of Agriculture, Tree Planting Division, Indian Head, Saskatchewan.

Trees available for distribution in the spring of 1942 include the following:

White spruce; Lodgepole pine; Red pine; Green ash; Bur oak; Douglas fir; Siberian larch; White oak; Red oak; American elm.

In addition to the above, cuttings of laurel, leaf willow, golden willow and northwest poplar will be available.

In connection with each application, it must be noted that a limit has been placed on the shipment of Siberian larch, white oak, red oak and American elm.

The quantities of these species are limited, and it might be necessary to allot applicants smaller numbers, or entirely delete from some applications when a number of the first six are requested. In addition to the limitations stock available, the number of applications sometimes renders it impossible to send out all the trees for which applications are received.

Application forms may be obtained from the Director of Forestry, Administration Building, Edmonton. These forms must be received by the Director of Forestry, properly filled in, before January 31, 1942.

RUSSIAN GUERRILLAS' PLEDGE OF DEATH

Operating behind the German lines from the Baltic Sea, Russian guerilla bands have struck blow on blow at Nazi communications—destroying bridges, attacking isolated units, leaving to German columns nothing but the devastation of a scorched earth.

In furtherance of their campaign, members of the guerilla bands, according to Russian papers, have taken this pledge of death before surrender:

"I, a citizen of the great Soviet Union, a faithful son of (name of Republic), swear that I will not lay down my weapons until the last Fascist in our land is destroyed. I swear to obey the orders of my commanders and to keep strict military discipline. I swear to take unmerciful revenge for the destruction of our towns and villages, for the death of our children, for the tortures, violence and humiliation inflicted upon my people. Blood must be repaid by blood and death by death. I swear to assist the Red Army in every possible way, to destroy the enemy without sparing my efforts or even my life. I swear that I would rather die than surrender to the enemy and that I will not let my people be enslaved by the bloodthirsty Fascists. Should I, through weakness, cowardice or evil designs break this solemn oath and betray the interests of my people, may I die a shameful death at the hands of my comrades."

CALL FOR GREATER ROAD SURFACING

Alberta has 3,000 miles of main gravelled highways and more than 600 miles of "blotted" or bituminous surfaced roads, forming part of 90,000 miles of roads in this province. Some interesting facts regarding the statistical position of the road situation were made known recently by the provincial government.

These show, in the opinion of officials of the Alberta Motor Association, the need for greater development of hard surfacing in this province. Only by such expansion will the tourist be encouraged to visit this province in larger numbers.

On the reconstruction of the main No. 1 highway from Edmonton to Calgary and Macleod, the province has spent in recent years a total of more than \$3,600,000. Level crossings between Edmonton and Calgary have been eliminated.

Motorists who are paying millions of dollars into the provincial coffers each year, much more than what is being spent on the highways, now are making an insistent call for this situation to be remedied. They demand that these motor revenues be earmarked for roads, as it is realized that Alberta needs a greater mileage of hard surfaced highways, and surfacing of this type should be of a type that will stand up without necessity of maintenance from year to year.

More About Stabbing

to say that a man had been stabbed and to get a doctor. Dr. Carroll had just gone into the Fisher building ahead of him so he sent the men there after him. He said Burke had a black eye and scratches across his nose and on his cheek, but they did not look too serious to him. He had no contact with Risvold.

Dr. Carroll gave professional evidence as to Risvold's wounds, and gave as his opinion that, barring unforeseen complications, the man was now out of danger.

Albert Anderson gave evidence identifying the two men involved in the fight, as he had been working in the beer parlor and warned them that no fighting would be permitted there.

rallied to give character evidence on his behalf.

Defence counsel put in a strong plea that accused was justified in meeting force with force in order to protect himself from such a vicious attack.

Addressing the accused, Magistrate Amundsen said there was no doubt in his mind from the evidence given that he had stabbed Risvold, and that he was a lucky man that he was not up on a far more serious charge, that of homicide. That he might be a very good man in his own community but that there must be something lacking in his character or he would not resort to pulling a knife on an opponent no matter how serious the attack. The sentence as stated above was then imposed.

WHITEWASHING ON THE FARM

(Department of Agriculture Notes)

Although whitewashing is usually done in the spring, a number of farmers are finding it desirable to use whitewash in the fall. For the benefit of those who may wish to whitewash a building this fall, we are repeating the instructions given in these notes earlier in the season.

For general outdoor work, the following formula are good:

A. (1) Add 15 pounds of common salt to 7½ gallons of water.

(2) To this solution slowly add one sack of hydrated lime. Stir constantly.

(3) Thin the mixture to a milky constituency with water.

B. (1) Make paste by adding 1 sack of hydrated lime to 7 gallons of water.

(2) In 1 gallon of boiling water, dissolve one pound of common salt and one half pound of zinc sulphate. Cool.

(3) When (2) is cold, stir it into (1) and add two gallons of skim milk.

For higher grade work on buildings, dairies, etc., use formula C.

C. (1) Make a paste of one sack of hydrated lime and 7 gallons of water.

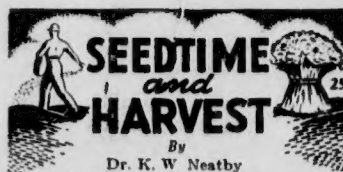

(2) Dissolve 6 pounds of salt in 3 gallons of boiling water.

(3) Mix (1) and (2) when cold. Stir thoroughly.

(4) Into the resulting mixture, stir 3 pounds of Portland cement.

It is always advisable to prepare the lime and water paste a few days before it is to be used.

Whitewash should be applied to a well cleaned surface. A good stiff brush will remove loose dirt. A wide brush is best to apply whitewash. Work rapidly and do not try to "brush out" as with paint. One gallon of whitewash will do about 225 square feet of wood, 180 of brick and about 270 of plaster.

Youth Training

During the past four years thousands of young men and women in the prairie provinces have had an opportunity to take special courses in agriculture and domestic science through the Dominion-Provincial youth training programme. The programme will again operate this fall and winter, when similar courses will be held at rural centres in Manitoba, Saskatchewan and Alberta.

The youth training programme is financed jointly by the Dominion and Provincial Governments. Details of organization and arrangements for instruction are left to the Provincial authorities. Because of this, the procedure varies somewhat from province to province, but the general objective is the same. That is, to provide an opportunity for worthy and needy rural young men and women between the ages of about 16 and 30 years to attend courses of the kind mentioned above, in or near their own communities. The first schools of the season generally commence about November 1st. Applications for courses must be sent in by the communities interested. Before the application can be filed, naturally some preliminary organization work must be done so that the authorities can be assured of a certain minimum attendance, and a suitable building in which to conduct the course.

Applications for courses in Manitoba, Saskatchewan and Alberta should be sent to, and more complete details of the courses offered and the arrangements which are to be made by the local community may be secured from: Director, Extension Service, Manitoba Department of Agriculture, Winnipeg; Director, Department of Extension, University of Saskatchewan, Saskatoon; Director, Department of Extension, University of Alberta, Edmonton.
